

## UKDA 185V

cable duct assembly cover, double, angular

Assembly covers made of Sendzimir hot-dip galvanized sheet steel for latching to the side profile of the bottom part of the cable duct including turning bolt. Usable as pull- and installation box, with one opening for insertion of a shuttering unit that will be replaced with a rectangular assembly unit during final assembly.

Continuously hot galvanized (Sendzimir process) (DIN EN 10346)
