

UKDA 260R

cable duct assembly cover, double, round

Assembly covers made of Sendzimir galvanized sheet steel for applying to the side profile of the bottom part of the cable duct including turning bolt. Usable as pull- and installation box, with one opening for insertion of a shuttering unit that will be replaced with a round assembly unit during final assembly.

Continuously hot galvanized (Sendzimir process) (DIN EN 10346)
