

UNSKH R

heat resistant shuttering unit, levellable, round

Shuttering unit, levellable, round, in floor boxes or cable duct mounting cover, consisting of a sendzimir galvanized steel sheet frame, an internal levelling device including levelling bases and cover. As concealed shuttering for round installation units, sandable and heat resistant. Suitable for installation in cast asphalt/hot asphalt or terrazzo.

Continously hot galvanized (Sendzimir process) (DIN EN 10346)
