

UNSKH V

heat resistant shuttering unit, levellable, angular

Shuttering unit, levellable, quadrangular, in floor boxes or cable duct mounting cover, consisting of a sendzimir galvanized steel sheet frame, an internal levelling device including levelling bases and cover. As concealed shuttering for quadrangular installation units, sandable and heat resistant. Suitable for installation in cast asphalt/hot asphalt or terrazzo.

Continuously hot galvanized (Sendzimir process) (DIN EN 10346)
